Assam Wildlife Tour

Explore the pristine beauty of nature at Manas National Park, located in the state of Assam. Covering an area of 950 square kilometers, this park is a haven for a variety of flora and fauna, and a retreat for tourists who want to discover the wonders of nature. Animal species that call this park home include the powerful tawny-coloured and black-striped Indian tiger, as well as other animals including hispid hare, Assam roofed turtle, pygmy hog, golden langur, Indian elephants, Indian rhinoceros, Asian water buffaloes, gaurs, Barasingha, Indian leopards, clouded leopards, sloth bears, barking deer and many more. The park offers the tourists, a number of ways to enjoy the safari. You can choose between the comfortable jeep safari or the adventurous elephant safari, or enjoy a scenic boat ride along the crystal-clear Manas River. The biodiversity of the park represents the conservation efforts undertaken by the local people. A visit to the nearby villages will give you an insight of the tribal culture of the area, which has been preserved since generations. From nature enthusiasts to adventurers and photographers, Manas National Park is a wonderful vacation spot for all.
